

# Summer's Stellar Gaze

[Silverstein](#)

As time passes us by and hurries us with pride  
We'll have the past for the rest of our lives  
Don't lose touch with reality  
Compensate for life's stupidity I wait for it  
You know that it's true, you cannot lose  
A summer can't be forgotten  
From the words that you speak  
Summer's stellar gaze I wait for it  
You know that it's true, you cannot lose  
You're one of the few  
Summer's Stellar Gaze
