

It's Alright (Club Mix)

Shania Twain

Nothing's better than spending time together
Hangin' 'round
Wish it was forever, love and sunny weather
Shinnin' down[Pre-chorus 1]
Ooh you're my lover, there's no other yeah
Friends like me and you can share a little lovin' too[Chorus 1]
And it's alright
We're gettin' it together every night
Makin' every minute very right
Lovin' everything we feel yeah
And it's so good
Doin' all the things we never could
Even if we're not sure that we should
Together it's you and me yeahBuildin' sandcastles, bein' little rascals
Havin' fun
Playin'on the beach just stayin' outta reach
Of everyone[Pre-chorus 2]
Ooh let's forever stay together yeah
Let's keep what we got forgettin' what we ought to do[Chorus 1]
[Chorus 2]
And it's so nice
We're gettin' it together every night
Makin' every minute very right
Lovin' everything we feel yeah
And it's so good
We're doin' all the things we never could
Even if we're not sure that we should
Together it's you and me yeah[Chorus 1]
