

Leader

Phantom Planet

There are so many signs, the end is now
Our leader told us so besides
We follow him blind, to and fro
Wherever he decides to go
He speaks, we listen
We'll see his vision
He explained so easily
We are all the missing pieces
Maybe you'll fit right in, too
Ask yourself, it might be true
Now join our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it coming
Now we'll put you in our uniform
Everyone will be reborn
Wear us over where your heart is
Your new life with us has started
You'll speak, he'll listen
We'll see his vision
Join our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it coming
Sitting on it all alone
We're on a ticking bomb, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it coming
You feel it coming, you feel it coming
You feel it coming, you feel it coming
You feel it coming
Join our hands and come along
The day's about to dawn, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it coming
Sitting on it all alone
We're on a ticking bomb, you feel it coming
On and on the hour's upon you
Now it won't be long, you feel it coming

You feel it coming, you feel it coming
You feel it coming, you feel it coming
