

# Heaven on Earth

## Britney Spears

Your touch, your taste, your breath, your face  
Your hands, your head, you're sweet, your love  
Your teeth, your tongue, your eye, you're mine  
Your lips, you're fine, you're heaven on earth I've waited all my life for you  
My favorite kiss  
Your perfect skin, your perfect smile  
Waking up and you're next to me  
Wrap me up in your arms and back to sleep (The palest green I've ever seen, the color of your eyes  
You're taking me so far away, one look and you stop time  
The palest green I've ever seen, the color of your eyes  
You're taking me so far away, one look and you stop time) Fell in love with you and everything that you are  
Nothing I can do, I'm really crazy about you  
When you're next to me, it's just like heaven on earth  
You're heaven, you're heaven on earth  
Tell me that I'll always be the one that you want  
Don't know what I'd do if I ever lose you  
Look at you and what I see is heaven on earth  
I'm in love with you Your breath, your face, your hands, your head  
You're sweet, your love, your tongue I'd move across the world for you  
Just tell me when, just tell me where  
I'll come to you  
Take me back to that place in time  
Images of you occupy my mind (The palest green I've ever seen, the color of your eyes  
You're taking me so far away, one look and you stop time  
The palest green I've ever seen, the color of your eyes  
You're taking me so far away, one look and you stop time) Fell in love with you and everything that you are  
Nothing I can do, I'm really crazy about you  
When you're next to me, it's just like heaven on earth  
You're heaven, you're heaven on earth  
Tell me that I'll always be the one that you want  
Don't know what I'd do if I ever lose you  
Look at you and what I see is heaven on earth  
I'm in love with you Fall off the edge of my mind  
I fall off the edge of my mind for you  
Fall off the edge of my mind  
(The palest green I've ever seen, the color of your eyes)  
I fall off the edge of my mind for you  
(Taken me so far) Fell in love with you and everything that you are  
Nothing I can do, I'm really crazy about you

When you're next to me, it's just like heaven on earth  
You're heaven, you're heaven on earth  
Tell me that I'll always be the one that you want  
Don't know what I'd do if I ever lose you  
Look at you and what I see is heaven on earth  
I'm in love with you I'm so in love  
I said I'm so in love  
I said I'm so in love with you
