HATER

Well I met a girl
I forgot her name
I said I talked all night
I thought she was the sameShe was total damn bored
She was totally mangy
She had to keep her fear
She wouldn't let me seeYeah she took me home
She protected me
And I had to be her slave
Because she let me
She was total damn bored
She was totally mangy
She had to keep her fear
She wouldn't let me seeYeah she drove me home
She protected me
And I was her slave
Because she let me be?
?Well I met a girl
I forgot her name
I said I talked all night
I thought we was the sameShe was total damn bored
She was totally mangy
She had to keep her fear
I thought she was trying to save me
Well I met a girl
And her name was Amy
She was so high
That she wanted to play
