

Song of the Stars

Dead Can Dance

We are the stars which sing
We sing with our light
We are the birds of fire
We fly over the sky
Our light is a voice
We make a road for the spirit to pass over{Algonquian Indian}
Out², ba mwen son ou,e
Out², ba mwen son ou,e
Tanbouy², o ba mwen son ou
Sol²y l²ve
Out², give me your sound
Out², give me your sound
Drummer, give me your sound
The sun rises
