

# Smiling down

## ONE OK ROCK

You flew away  
Before I could say  
Taken away before your time  
Up into the clouds  
Koko kara ja mienai mieru hazu mo nai  
Ikutsu no yoru wo koete mo mou kimi ni wa aenai Now you're gone  
You left your song  
What can I do with this pain  
Don'na uta wo kuchizusamu ?  
I hope you're smiling down  
Now you're gone  
You're really gone  
Ayumubeki michi wa  
Mou tagaini chigaukara  
Face the truth  
I will just Sing for you Itsu datte sou nan no maebure mo naku  
Fui ni bokura kara subete ubatta nochi  
Kanashimi de namida ga afureru  
Time just left you behind  
And I don't know why  
How can I accept  
Something I don't understand Now you're gone  
You left your song  
What can I do with this pain  
Don'na uta wo kuchizusamu ?  
I hope you're smiling down  
Now you're gone  
You're really gone  
Ayumubeki michi wa  
Mou tagaini chigaukara  
Face the truth  
I will just Sing for you
