

Running out of Time

Phish

A flash of light
Another moment stolen from my soul
A thunderclap
Again I must surrender all control Sudden noises startle me
And strange things in my mind
Haunt me and I'm running scared
Running out of time
Running out of time There are days when sunlight
Seems to lift me from my bed
And other times I face the light
With eyelids full of lead Light and dark pass quickly by
With no dividing line
I follow but I'm running scared Running out of time
Running out of time
Running out of time
Running out of time Running out of time
Running out of time
Running out of time
Running out of time
