

I'm Your Gun

Alice Cooper

Your Mama thinks I'm filthy
Alright
Your daddy calls me scum
Alright
Wrap your fingers all around me
I'm your g-g-gun Well, I'm dressed in black
I'm a heart attack
And my draw is lightning quick
Well, if you're looking for a man
With the magic hands
I can really do the trick And if you see me on the street
And you're burnin' from the heat
There's a fire down below
You be the target on the bed
I'll be shootin' hot lead
Let me take control You're a scared little girl in this
Big, bad town
So easy to sink, so easy to drown Pull my trigger, I get bigger
Then I'm lots of fun
I'm your gun
I'm your gun, gun, gun Bite my bullet
Push and pull it
Tell me I'm the one
I'm your gun
I'm your gun, gun, gun Hold on steady
Always ready, yeah Well, I'm as hard as they come
I'm a hit and run
I'm a pistol packin' boy
Better walk real slow
I'm on the edge, you know
And I'm easily annoyed If someone's giving you trouble
I'll be there on the double
Just call me on the line
I've got a muscle I can flex
Never fog your little specs
Till you think you're going blind I know these streets like the scars
On my back
And I stay as loaded as this gun
On my back Pull my trigger, I get bigger

Then I'm lots of fun
I'm your gun
I'm your gun, gun, gunBite my bullet
Push and pull it
Tell me I'm the one
I'm your gun
I'm your gun, gun, gunSqueeze it tighter
Aim and fire, yeahHold on steady
Always ready
Yeah, yeah, yeahPull my trigger, I get bigger
And then I'm lots of fun
I'm your gun
I'm your gun, gun, gunRub my barrel
Straight and narrow
Dress up like a n-n-nun
I'm your gun
Your gun, gun, gunLoad my clip and lick your lips
This is gettin' fun
I'm your gun
I'm your gun, gun, gunHold on steady
Always ready, yeah
