

Dead Serious (With All Of My Heart)

[ZOEgirl](#)

who's that girl w/ a bible in her hands?
the smile on her face, she doesn't get it
i don't understand.
the way she walks with ehr head in the clouds,
she doesn't care who laughs walks right through the croud
that's right that's me i don't care what you think
you can talk all day i don't care what you say you think i'm delirious a typical reaction
but aren't you cirious about my satisfaction
maybe you're envoius, a little firious!
you can laugh but i'm dead serious! watch her as she goes there's something different and she knows it!
ask her why and she'll flash that silly smile
she said she's got a purpose and she's don't with all the games. jesus saved her soul and she'll never be the
same!
that's right that's me
i don't care what you think
you can talk all day i'm ok anyway! (chorus 2x) eternity won't wait for me
i've made my choice where i want to be
all i want to be seen is the light of God
shining in me
i may be young but i am free you can't change what i bleieve! (chorus) serious, i'm serious, ooo serious i'm
serious, ooo, serious i'm serious, ooo.
you can laugh but i'm dead serious!
