Dare - Junior Sanchez Remix

Gorillaz

It's coming up, it's coming up, it's coming up
It's coming up, it's coming up, it's coming up
It's dareIt's dareYou've got to press it on you
You've just been thinking
That's what you do, baby
Hold it down, dareJump with them all and move it
Jump back and forth
It feels like you were there yourself, work it outNever did no harm
Never did no harm
It's dare
It's coming up, it's coming up, it's coming up
It's coming up, it's coming up
It's dareIt's dareYou've got to press it on you
You've just been thinking
That's what you do, baby
Hold it down, dareJump with the moon and move it
Jump back and forth
It feels like you were there yourself work it outNever did no harm
Never did no harm
It's dare
It's coming up, it's coming up, it's coming up
It's coming up, it's coming up
It's dare
Never did no harm
Never did no harm
It's dare
It's coming up, it's coming up, it's coming up
It's coming up, it's coming up
It's dareYou've got to press it on you
You've just been thinking
That's what you do, baby
Hold it down, dareJump with the moon and move it
Jump back and forth
It feels like you were there yourself work it outYou've got to press it on you
You've just been thinking
That's what you do, baby
Hold it down, dareJump with the moon and move it
Jump back and forth

It feels like you were there yourself work it out
