

No Reason Why

Gorilla Biscuits

You're always on my back about what I mean to do and all your talk is bothering me just wait until I'm through
I walk down to the corner store to catch up with my friends They're puffin smoke high on dope, will this shit
ever end? I go down to the matinee such stupid shit I see as middle class suburban kids grubbin money off of me
Tough guys starin pickin fights with new kids & with old These attitudes help nobody the guilty should be told
and we'll tell 'em No Reason Why - to beat up on a poser skin No Reason Why - to keep the little kids from
getting in No Reason Why - to take advantage of the people you know No Reason Why - there's just no reason
why.
