Mummified in Barbed Wire

Cannibal Corpse

Wrap the wire round the neck,
pull it tight to suffocate
His mouth is spewing steaming blood
Hang the body with a cord, gag his mouth
with shards of steel
He doesn't know the pain he'll feel
Interwoven deadly spikes, tightening cables
lacerate
Assorted gashes open wide
Ruptured veins are gushing blood, scraps of
skin are flying off
The body of the helpless preyJagged cable binds, you scream, No escape
Metal barbs tearing at you, Rend your fleshTear apart the tendons,
wire chokes the victim
Shred away his features,
shred away his being
Rip the tissue from the body, Rend your fleshLacerate, sharp spikes rip
Mutilate, pierce the skinMummified in the barbed wire
Breathing stops, life expires
Mummified in the barbed wire
Metal binds as you dieTangled in a web of pain, No escape
Blood seeps through the metal sheath,
Saw-like nooseTear apart the tendons,
wire chokes the victim
Shred away his features,
shred away his being
Gleaming cords encase the corpse, No escapeLacerate, sharp spikes rip
Mutilate, pierce the skinMummified in the barbed wire
Breathing stops, life expires
Mummified in the barbed wire
Metal binds as you dieSteel wraps your face, blood soaks the steel
Bound in wire, soon to die, life choked out,
bleed to death
