

# Mummified in Barbed Wire

## Cannibal Corpse

Wrap the wire round the neck,  
pull it tight to suffocate  
His mouth is spewing steaming blood  
Hang the body with a cord, gag his mouth  
with shards of steel  
He doesn't know the pain he'll feel  
Interwoven deadly spikes, tightening cables  
lacerate  
Assorted gashes open wide  
Ruptured veins are gushing blood, scraps of  
skin are flying off  
The body of the helpless prey Jagged cable binds, you scream, No escape  
Metal barbs tearing at you, Rend your flesh Tear apart the tendons,  
wire chokes the victim  
Shred away his features,  
shred away his being  
Rip the tissue from the body, Rend your flesh Lacerate, sharp spikes rip  
Mutilate, pierce the skin Mummified in the barbed wire  
Breathing stops, life expires  
Mummified in the barbed wire  
Metal binds as you die Tangled in a web of pain, No escape  
Blood seeps through the metal sheath,  
Saw-like noose Tear apart the tendons,  
wire chokes the victim  
Shred away his features,  
shred away his being  
Gleaming cords encase the corpse, No escape Lacerate, sharp spikes rip  
Mutilate, pierce the skin Mummified in the barbed wire  
Breathing stops, life expires  
Mummified in the barbed wire  
Metal binds as you die Steel wraps your face, blood soaks the steel  
Bound in wire, soon to die, life choked out,  
bleed to death
