

Sunrise

Norah Jones

Sunrise, sunrise
Looks like morning in your eyes
But the clocks held 9:15 for hours
Sunrise, sunrise
Couldn't tempt us if it tried
'Cause the afternoon's already come and gone
And i said ooh, ooh, ooh, to you Surprise, surprise
Couldn't find it in your eyes
But I'm sure it's written all over my face Surprise, surprise
Never something I could hide
When I see we made it through another day Then I say, oh, oh, oh, to you And now the night
Will throw its cover down on me again
Oh, and if I'm right
It's the only way to bring me back Oh, oh, oh, to you
Oh, oh, oh, to you
