

# Return to Ashes - Platinum Mix - Low Key Version

Jamie Christopherson

Look to history  
The politicians say they're right  
And stoke the fire till the ash turns white  
They say survival's everything

But as for me I don't say a thing  
Oh yeah  
How long must I still fight  
Woah oh

Watching other countries plight  
Woah oh

Just look back to history

You will see that it's filled with greed  
The only way to get ahead

Is exploit the weak and to burn your dead  
Just look to history  
Society in moral decay

Here tomorrow  
Or gone today

Oh yeah  
We'll return to ashes one day
