

# Nightwalking

## DZ Deathrays

I said a week  
I sold it down  
A guilty love you passed me around  
A clock to the bottom back to the top  
Just to help those who drop Nightwalking trying to find  
The best place to be  
The best place to start  
Nightwalking trying to find  
Somewhere to be, not here The more I enjoy  
The less I feel about it  
The more I enjoy  
The less I feel about it Take it from me  
We got nowhere else  
Which other line will take you down? I set it a week  
I set it on you  
But how most would say  
We're lost in the air Nightwalking trying to find  
The best place to be  
The best place to start  
Nightwalking trying to find  
Somewhere to be, it's not here The more I enjoy  
The less I feel about it  
The more I enjoy  
The less I feel about it I feel music through  
I don't know  
It's silent where  
It's silent where  
It's silent where  
Where, where, where I feel music through  
I don't know  
It's silent where  
It's silent where  
It's silent where  
Where, where, where The more I enjoy  
The less I feel about it  
The more I enjoy  
The less I feel about it The more I enjoy  
The less I feel about it  
The more I enjoy

The less I feel about it
