Overdrive

Elektric Music

underground overdrive
i blew the fuse
i blew my mind
kiss of life
overdrive
now now now now now now
underground overdrive
underground overdrive
below that sound (?)
overdrive underground
hyperactive
strobolight
off-beat jive
overdrive
overdrive
i blew the fuse
i blew my mind
kiss of life
overdrive
now now now now now now
underground overdrive
underground overdrive
below that sound (?)
overdrive underground
overdrive overdrive overdrive overdrive
overdrive overdrive overdrive overdrive
overdrive overdrive
