Made In America

Cimorelli

Striped Flag
Wrapped Around My Head
Blue, White
Little Bit Of Red
Live Free
Like We Always Said
Ohh whoa ohh
California
Born and Raised
Work Hard
Gonna Make A Name
Gettin' Closer Everyday
Ohh whoa ohh
I Know My Life Is Gettin' Better
It's On No Matter What The Weather
We're Gonna Celebrate Together
All Night Long
And They Say Age Is Just A Number
But We're Not Gettin' Any Younger
So Let's Celebrate Together
All Night Long
Singing like wooa
Singing like wooa
Cuz we're Made In, Made In, Made In
In America
It's true
Baby it's true
Cuz we're Made In, Made In, Made In
In America
New york
And back to L.A.
Sat Down
Down to N.Y.A
Bright lights
In the U.S.A
Shoutout

To the countryboys
Small towns

Time to raise your voice
Suburbs
Come on make some noise
I know my life is gettin' better
It's on no matter what the weather
We gonna celebrate together
all night long
Singing like wooa
Singing like woo
Cuz we're Made In, Made In, Made In
In America
It's true
Baby it's true
Cuz we're Made In, Made In, Made In
In America
I pledge ageliance to the home of the brave
Blue jeans, ball caps, and football games
Fireworks outside on the 4th of July
Summer night barbeque
Bring the apple pie
From the cowboys riding in the pickup trucks
To the girls in the city screamin' turn it up
Cuz we're made in America
Wooohh
Singin' like woohhh
Cuz we're Made In, Made In, Made In
In America
It's true
Baby it's true
Cuz we're Made In, Made In, Made In
In America
Singing like yee.
Cuz we're Made In, Made In, Made In
In America
It's true
Baby it's true
Cuz we're Made In, Made In, Made In
In America
