Let's Lynch the Landlord

L7

The Landlord's here to visit
They're blasting disco down below
Says, "I'm doubling up the rent 'cause the building's condemned
You're gonna help me buy City Hall"But we can, you know we can
But we can, you know we can
Let's lynch the landlord manI tell them, "Turn on the water"
I tell 'em, "Turn on the heat"
Tells me, "All you ever do is complain"
Then they search the place when I'm not hereBut we can, you know we can
Let's lynch the landlord
Let's lynch the landlord
Let's lynch the landlord manThere's rats chewin' up the kitchen
Roaches up to my knees
Turn the oven on, it smells like Dachau, yeah
Till the rain pours through the ceilingBut we can, you know we can
Let's lynch the landlord man
