

The Only Time

Nine Inch Nails

I'm drunk
And right now I'm so in love with you
And I don't wanna think too much about
What we should or shouldn't do Lay my hands on Heaven
And the sun and the moon and the stars
While the Devil wants to fuck me
In the back of his car Nothing quite like the feel of something new
Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up in you Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up
Maybe I'm all messed up in you Maybe I'm all messed up
This is the only time I really feel alive
This is the only time I really feel a life I swear
I just found everything I need
The sweat in your eyes the blood in your veins
Are listening to me Well, I want to wrap it up
And swim in it until I drown
My moral standing is lying down Nothing quite like the feel of something new
Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up in you Maybe I'm all messed up, maybe I'm all messed up
Maybe I'm all messed up
Maybe I'm all messed up in you Maybe I'm all messed up
This is the only time I really feel alive
This is the only time I really feel alive Maybe I'm all all messed up [Incomprehensible]
[Incomprehensible]
[Incomprehensible] This is the only time I really feel alive
This is the only time I really feel alive
This is the only time I really feel alive
This is the only time I really feel alive
