

Numb (One More Light Live)

LINKIN PARK

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
Don't know what you're expecting of me

Put under the pressure of walking in your shoes(Caught in the undertow, just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow, just caught in the undertow)I've become so numb

I can't feel you there

Become so tired

So much more awareI'm becoming this

All I want to do

Is be more like me

And be less like you

Can't you see that you're smothering me

Holding too tightly, afraid to lose control?

'Cause everything that you thought I would be

Has fallen apart right in front of you(Caught in the undertow, just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow, just caught in the undertow)

And every second I waste is more than I can takeI've become so numb

I can't feel you there

Become so tired

So much more awareI'm becoming this

All I want to do

Is be more like me

And be less like you

And I know

I may end up failing too

But I know

You were just like me with someone disappointed in youI've become so numb

I can't feel you there

Become so tired

So much more awareI'm becoming this

All I want to do

Is be more like me

And be less like youI've become so numb

I can't feel you there

(I'm tired of being what you want me to be)

I've become so numb

I can't feel you there

(I'm tired of being what you want me to be)
