

Games For Girls

Say Lou Lou

They say I'm young just like a teenage love
You play the games, I always win
I never tell you what I'm thinking of
Your time is up and mine is in Games for girls
Games for girls
Games for girls
Games for girls Girls, girls, girls, girls (x5) Game in my love is like a work of art
I don't do anything at all
I won't go chasing for the king of hearts
Save all your cheating for the fall Games for girls
Games for girls
Games for girls
Games for girls
Girls, girls
Games for girls
Games for girls
Games for girls
Games for girls
Girls, girls Little boys with fancy toys (x11) Games for girls
Girls, girls, girls, girls
Games for girls
