The coal, the coal light, the callous, the caress
The comb, the calm, the color, the cortex
The code, the codeine, the comma, the context
The collector, the green, the fine, the fall
The financier, the dream, the fen, the fine
The fin, the defend, the fawn, then doThe coal, the coal light, the colors, the caress
The comb, the calm, the color, the caress
The cortex, the comb, the codeine, the comma
The context, the corpse, the likeness
Die cut, die cut, die cut, die cut
Die cut, die cut, die
