Love Someone

[Miley Cyrus](#)

You gotta love someoneI don't know what you've been told
Or what they say about me
I never give up, but give it a rest
I ain't got time to worry about a mess
And I'm kinda getting tired of dealing with all your stress
I'm starting to think you have no heart, yeah
You don't even have a soul
You always give in or ya try too late
All I do is give and all you do is take
I'm tired of protecting you from what you need to know, come onEver since the day that I met you
I knew you weren't the one
But nothing ever stops me from forgetting
Packing all my shit and moving on, hey yeah
I'm not sure where I'd even go
'Cause I made your house my home
It's come to an end, I hate how it's been
Lights are getting dim and the walls are caving in
And it's time for this queen to go and find another throne
When I give it up, I give it all, hey
I went and made you my life
Don't you dare say I don't care
When I need you most you know you're never there
It'd be a cold day in hell before I'd ever be your wife, that's rightEver since the day that I met you
I knew you weren't the one
But nothing ever stops me from forgetting
Packing all my shit and moving on, hey yeah
Kicking off my shoes and running towards the sun
I said: Nothing's really worth it unless you're having fun
To make somebody stay
You gotta love someone
You gotta love someone, heyEver since the day that I met you
I knew you weren't the one
But nothing ever stops me from forgetting
Packing all my shit and moving on, hey yeahYou gotta love someone (hey yeah)
You gotta love someone (hey yeah)
You gotta love someone (hey yeah)
Ooh ooh, you gotta love someone (hey yeah)
