

# When The War Is Over

## Cold Chisel

When the war is over, got to get away  
Pack my bags to no place in no time no day  
You and I we used each other's shoulder  
Still so young, but somehow so much older  
How can I go home and not get blown away Ain't nobody gonna steal this heart away  
Ain't nobody gonna steal this heart away When the war is over, got to start again  
Try to hold a trace of what it was back then  
You and I, we shared each other's stories  
Just to think I'm lost in all its glories  
How can I go home and not get blown away You and I had our sights set on something  
Hope this doesn't mean our days are numbered  
I've got plans for more than ordered days  
All around is chaos and madness  
Cannot feel you're nothing more than sadness  
Only choice, to face it the best I can When the war is over, got to start again  
Try to hold a trace of what it was back then  
You and I, we shared each other's stories  
Just to think I'm lost in all its glories  
How can I go home and not get blown away Ain't nobody gonna steal this heart away  
Ain't nobody gonna steal this heart away  
Ain't nobody gonna steal this heart away
