It Seems Like You're Ready

R. Kelly

What's up baby?
Come here, I wanna taste you
And I know you're gonna like it
So, are you ready?
I love the way your body feels next to mine
Listen, let me explainTemperature's rising
And your body's yearnin' for me
So, come here baby
Girl, lay it on me
I place no one above thee
Oh, take me to your ecstasyIt seems like you're ready
(Seems like you're ready)
Seems like you're ready
(Girl, are you ready)
To go all the way, all the wayIt seems like you're ready
(Seems like you're ready)
Seems like you're ready
(Girl, are you ready)
To go all the way, all the wayI can smell your perfume
Step into my bedroom
Let me love you constantly, come here baby
Oh, oh, your body is my playground
Let me lick you up and down
Make you feel like a woman shouldIt seems like you're ready
(Seems like you're ready)
Seems like you're ready
(Girl, are you ready)
To go all the way, girl, all the wayIt seems like you're ready
(Seems like you're ready)
Seems like you're ready
(Girl, are you ready)
To go all the way, all the wayLook in the mirror
Now come here a little bit closer
Don't be scared, I'm not gonna hurt you
I wanna do all of that things you want me to do to you
And baby, I wanna make you feel really good
While I'm doin' it, oh ohIt seems like you're ready
(Seems like you're ready)
Seems like you're ready

(Girl, are you ready)
To go all the way, all the wayIt seems like you're ready
(Seems like you're ready)
I could have sworn you were ready
(Girl, are you ready)
To go all, all the wayIt seems like you're ready
Just like you're ready
(Girl are you ready)
To go all the way, all the waySo, are you ready
(Seems like you're ready)
For my lovin' babe
(Girl, are you ready)
I'm gonna make you feel so good
But there's one thing I'd like to know isDo you want it baby?
(Seems like you're ready)
Do you need it babe?
(Girl, are you ready)
I'd like to know if I'm the one that you preparin' for?Tell me baby, am I the one you want
(Seems like you're ready)
Am I the one you need?
(Girl, are you ready)
I just gotta know right now, right now'Cuz, it seems just like you're ready
(Seems like you're ready)
Just like you're ready baby
(Girl, are you ready)
And I don't wanna make no mistakes at all
But it seems like you're readyCall me up baby, hey there lady
(Seems like you're ready)
I'm willing to bet my life that you're ready
(Girl, are you ready)
And I promise, I'll be good to you baby
You don't have to worry, no baby, no baby, no no no
