

El Cu Cuy (Man-To-Monster Mix)

Coal Chamber

"There's a point in time when you can't think for yourself. Paulie Shots!!!" I'm
placeable listen to the dreams you're dreaming. Untraceable tell me now what are
you scheming. I'm placeable to the place where you most fear. Untraceable so
help me dear. I'm placeable innate yet surely substantial to repay your fade away.
Sweetness smells so sweet at your feet just to repay your fade away. I'm placable
I have no place now. Untraceable to your jaded vows. I'm placable no more of
your face. I'm placeable sp help me please. I'm placeable innates yet surely
substantial to repay your fade away. Sweetness smells so sweet at your feet jut to
repay your fade away. Kill the man become the monster. You are a sick
individual. You are so sincere. I'm the one get under your bed increase your
dreams and you know it well
yeah I'm the one get under your bed increase your dreams and I know it well hell.
I'm placeable recognize that your most favored. Untracable so help me dear. I'm
placeable innate yet surely substantial to repay your fade away. Kill the man
become the monster. You are a sick individual. You are so sincere. I'm the one
get under your bed increase your dreams and you know it well. Yeah I'm the one
get under your bed increase your dreams and you know it well. Kill the man
become the monster. Sincere.
