Count It All Joy

Javen

I can't see the air
Still I can breathe;
Cause it's here, but it's invisible
Like when I'm blessed
The heart doesn't see
'Til after the miracle
But I'm learnin' to trust
Your merciful love

Count it all joy;
Whatever comes;
I will surrender,
Father, let your will be done.
You know all I need
You've called me by name,
So I'll walk through the dark hurricane
Right through the fire
Long as I hear your voice,
I will count it all joy;

I'm learning the night
is only the start
of the most beautiful day
And when my world is torn apart
I know I can look to your grace
'cause I'm learning to trust
Jesus, you're more - more than enough!

So, I count it all joy.
Whatever comes;
I will surrender,
Father, let your will be done.
You know all I need
You call me by name,
So I'll walk through the dark hurricane
Right through the fire
Long as I can hear your voice,
Said I will count it all joy;

How can I unbreak a heart

And point them to you
If I couldn't say that I've felt that way
And it's something, it's something that I've been through

Sing joy (joy), joy (joy), say joooy (joy), joy (joy),
Say joy, joy (joy, joy) - joooy (joy)
Say I've got joy
So much joy
Joy, joy - jooooy
Say, ooh Lord! Praise God!
Joy, joooy - say I've got joy
Walk through the dark hurricane
Right through the fire
Long as I - long as we can hear Your voice,

We will
We gonna keep on walkin'
We're gonna keep on talkin'
We're gonna keep on believin'
And never stop doubtin'

Joy's gonna come in the morning,
And you can count it all joy!
