

When I Fall In Love

Marcus Miller

When I fall in love

It will be forever

Or I'll never fall

In love

In a restless world like this is

Love is ended before it's begun

And too many moonlight kisses

Seem to cool in the warmth of the sun

When I give my heart

It will be completely

Or I'll never give

My heart

And the moment I can feel that

You feel that way too

Is when I fall in love with you

And the moment I can feel that

You feel that way too

Is when I fall in love with you
