Brentley

Verse I:

Walking round in circles tryina find my way
(can't understand you babe)
Feelin kinda strange and out of place
(just alittle sick in the brain)
Don't know what to say dont know what to do
(My mine is on but my mouth is on mute)
When I think you I'm so just so thru

Hook:

Saying bye
I'm done with you
(thru)
Your love for me is disposable
I'm sad to say that i told you so (x2)

Verse II:

Where did you go and what do you do
(to make me feel the way i do)
The more i think about you I know it's no use
(I know its know use Yeah)
I need to try to find a better way to live
Cause over and over i let you back in
I just can't win

(Hook x2)
