You carried the cross for my soul
You bled for my sin
Beginning life for all hope for all joy
For all unspeakableVERSE 2
Whatever the day we know
You conquered the grave
Saved the world
Now that we're free believing
What we know who we know
Is the truth so here we goCHORUS
I know I know I know I know
You turned the world around
Now I have found the way
That can't be shaken
I know I know I know I know
You turned it upside down
Now I have found the life
That can't be shaken
And I stand on what I knowBRIDGE
It's true so I believe it
