

Smiling Phases

Blood, Sweat & Tears

Do yourself a favor, wake up to your mind
Life is what you make it, you see but still you're blind
Get yourself together, give before you take
You'll find out the hard way, soon you're gonna break
Hey, hey, heySmiling phases, going places and if they bust you
You just keep on smiling through and throughAnd you'll be amazed at the gaze
On their faces as they sentence youYou don't need a lawyer when you're in a fix
Someone's got to pay up, your friends are full of tricks
How could you love something that you just can't buy?
Own up to the truth girl, your love has gone on by
Hey, hey, heySmiling phases bring you flowers, you can line 'em up
And you can watch them grow for hoursAnd you'll be amazed at the way that they stare
As they walk by your doorDo yourself a favor, wake up to your mind
Life is what you make it, you see but still you're blind
Get yourself together, give before you take
You'll find out the hard way, soon you're gonna break
Hey, hey, heySmiling phases, going places and if they bust you
You just keep on smiling through and throughAnd you'll be amazed at the gaze
On their faces as they sentence you...
