Money Talks

Rubella Ballet

In this land of so many laws, everybody knows money talks
In this land of so many laws, everybody knows money talks
Money talks, money talks, money talks

It doesn't matter if you you're right wrong,
It doesn't matter if you're sane or insane
It doesn't matter if you hate or love
It doesn't matter if you steal or thieve

Because in this land of milk and honey all they want is your money
Yes, In this land of so many laws, everybody knows money talks
Money talks, money talks, money talks, money talks

It doesn't matter if you're good or bad
It doesn't matter if you're black or white
It doesn't matter if you live or die
It doesn't matter if you're male or female

Because in this corrupt society the rich pay to be free
Yes, in this land of so many laws, everybody knows money talks
Money talks, Money talks, Money Talks, Money Talks

Money talks, money talks, money talks, money talks, money talks, money talks, money talks
Money, talks
