Silverlight

Lyon

Verse 1:
Time stands still
Holding to this feeling
And I don't wanna say too much
But I already mean it
Pre-Chorus:
You keep telling me don't think leaving in a minute
Don't blink, you don't wanna miss itChorus:
You give me today and tomorrow
I'm gonna follow you to the other side
So take me wherever
Make me surrender
Under the silverlight
Falling from the night
Falling from the night, yeah
Oooooh
Falling from the night
Falling from the night, yeah
OoooohVerse 2:
Empty space
Staring at the ceiling
And I'll be waiting in the dark
Counting every second
Pre-Chorus
You keep telling me
Don't think, leaving in a minute
Don't blink, you don't wanna miss itChorus:
You give me today and tomorrow
I'm gonna follow you to the other side
So take me wherever
Make me surrender
Under the silverlight
Falling from the night
Falling from the night, yeah
Oooooh
Falling from the night
Falling from the night, yeah
Oooooh
Bridge:

Oooooooh
Falling from the night
Falling from the night
