Beautiful Silence

Savoir Adore

Sleep in the darkest sky
The star haven't cast their light
I'll close my eyes
Pretend that I'm lost
Asleep in the darkest skyThe world is at peace, tonight
Alive in our hands tonight
The moons shadow falls
On the place we hide
The world is at peace, and quiet
This beautiful silence, it's still in your eyes...
The Last time I slept, I dreamed I would die
And I fell out Hope, crying for sound
But the love still remainedAnd the colors, they fade to black
These shadow weren't meant to last
I close my eyes, tell my heart to be soft
When you think all is lost, but it's not...
This beautiful silence, it's still in your eyes...
The Last time I slept, I dreamed I would die
And I fell out Hope,
Crying for sound
But the love still remained
