Damn Those Eyes

Kane

Damn those eyes, they keep me torn inside
She runs like a river through me, always you
Eyes don't lie, words may try
She comes like a mystery, flows through me
And I swear it's true, always youI wish I could run into you now, yeah
I wish I could run into you nowIf I see you one more time
Maybe I'd feel better, yeah, oh
If I see you one more time
Maybe I'd feel not so coldDamn those eyes, no matter how I try
She brings with her, symphony over me
Words may try, I said, eyes don't lie
And she speaks with her tender voice, till there's no choice
And I swear it's true, always you, yeah, yeahI wish I could run into you now, yeah
I wish I could run into you nowIf I see you one more time
Maybe I'd feel better
If I see you one more time
Maybe I'd feel betterYeah, yeah, oh, yeah, yeah
Yeah, yeah, betterSee you one more time, hold you one more time
Baby, yeah, baby, baby, yeah, baby, baby
I see you, I want to hold you and maybe I'd feel betterIf I see you one more time
Maybe I'd feel better
If I see you one more time
Maybe I'd feel, maybe I'd feel a whole lot better
