

# My Life

Jim Jones

Advisory - the following lyrics contain explicit language:

We back  
We still on the streets  
Rap game is now the crack game  
Watch out for them rap police The rap police is on my ass, searchin' for the rest  
I'm stepping on the gas while I'm serving through the traffic  
Watching the sun rise, twisting up the grass  
Money on my mind, got me thinking 'bout the cash 'Cause I heard the plottin' one, you gotta have your paper  
right  
They knocking at the door, I'm hoping they don't weigh tonight  
We moves pies trying to get the treasures  
Plus rides getting high till the FBI come and get us And we hit them clubs in the city  
Now I got the thugs and all the drug dealers with me  
It's virgin on the bottles hope the groupies follow  
I'm tryin' to slide baby beeze [Incomprehensible] The life styles of the thugs, young rich and famous  
Give a fuck about the judge, we runnin' from [Incomprehensible]  
Speeding through life at a fast pace  
So I pray to god tonight and I'm hoping I don't catch a case Trying ride the wave in a deep sea  
'Cause I like to spend my life, my life, my life, my life  
Ducking DT's in the Z3 or the GT this is PG Trying ride the wave in a deep sea  
'Cause I like to spend my nights, my nights, my nights, my nights  
Ducking DT's in the Z3 or the GT this is PG Now I ain't sleep about a week but 7 8 theory  
I'm gunning in the streets everyday is getting scary  
And any minute meet the queens with the reefer  
But we gotta stay alive getting faded of the reefer Like an ol' chaser, shits gettin' major  
I'm fucking with the guns gotcha ya nigga all chased up  
It'd for the thrill so we do it for the love of it  
Like oh what a feeling motherfucker when we thuggin' it Go for Mob, true to stay free  
Free to cop a ride, hundred thousand on the V  
Wallin' in the whip, let's talk politics  
They say niggas from New York is saw by the flip I got gas in the range, cash on the chain  
And I'm flying up lennox fast in the lane  
They say it's all up in the streets

I'm trying to make a million while I'm dodging from policeMotherfucker [Incomprehensible]

Trying ride the wave in a deep sea

'Cause I like to spend my life, my life, my life, my life

Ducking DT's in the Z3 or the GT this is PGTrying ride the wave in a deep sea

'Cause I like to spend my nights, my nights, my nights, my nights

Ducking DT's in the Z3 or the GT this is PGPay attention while I mention that the bird gang is on the move

While you talking here we walking like the way you want to do

We dem rock stars, keep dem hot cars and a hot one for you ladies

Just griding for all the paper we can get up out this game
