

Whiskey Tears

Dierks Bentley

There's things in my life that I've been missin'

 The touch of a woman, and lovin' after dark

 Come here lately the woman I've been kissin'

She comes from Kentucky boys, and she don't have a heartBartender, he don't mind, he sits 'em up the same

 I ain't ben sober since it's over, got no plans to change

 I traded my tomorrows to remain in yesterday

Whiskey Tears are fallin' here and each one cries here nameI used to be so afraid of dyin'

 I lived every moment for lovin' her

 But when she walked away my heart quit tryin'

And now I'm no stranger to hurtBartender, he don't mind, he sits 'em up the same

 I ain't been sober since it's over, got no plans to change

 I traded my tomorrows to remain in yesterday

Whiskey Tears are fallin' here and each one cries here nameBartender, he don't mind, he sits 'em up the same

 Oh,Whiskey Tears are fallin' here and each one cries here name
