

Ride the Wind

Poison

Hearts of fire
Streets of stone
Modern warriors
Saddle iron horses of chromeTaste the wild
Lick the wind
Like something they never saw before
Their jaws dropping to the floor
Steel made of soul and sinRebels born without a care
(And the day he listens)
Only to fly where eagles dare
And the night she whispersRide the wind
Never coming back until I touch the midnight sun
(Ride the wind)
(Never coming back again)
Ride the wind
Never coming back until I touch the midnight sunPainted flesh
Loyalty
Humble pride
Just as far as the eye can seeStories told
Two old friends
Of battle scars and lonely bars
And nights the rain wouldn't endHere's to withered eyes wearing gypsy smiles
(And the day he listens)
Here's to lovely ladies and a million miles
And the night she whispersRide the wind
Never coming back until I touch the midnight sun
(Ride the wind)
(Never coming back again)
Ride the wind
I'm still the bravest soul in sin
Burning till the night is doneOf all the truths and lies
And stories of riders in the sky
They say only the bravest try
Where eagles and angels dare to flyRide the wind
Never coming back until I touch the midnight sun
(Ride the wind)
(Never coming back again)
Ride the wind
Never coming back until I touch the midnight sunRide the wind

Never coming back until I touch the midnight sun
Ride the wind
Never coming back again(Ride the wind)
(Never coming back again)
Ride the wind
Never coming back until I touch the midnight sun
