

# Aint No Other Me

Stooshe

Breaky breaky, I'm really feeling my heart  
Aching for ya  
Ever since you left I haven't left my bed  
I'm still in my PJs  
And I can't get up, and I can't get out  
You turn my whole world upside down  
Yes ya did, yes ya did Come back to me baby, I'll give you everything you need  
I'm a new girl, in a different world  
I left planet crazy  
Be back with me darling, I'll give you every guarantee  
Give a fresh start to my lonely heart  
And you know too well, there ain't no other me  
La-da-da da-da-da da-da-da-aa ohh oh-hh  
There ain't no other me Tell me, tell me that you're gonna be here this year  
When Christmas coming  
I can't be without ya kiss on this new year  
It'll make me go loopy  
And I can't wake up, I only dream about  
Your sexy way when you wear me out  
Ooh ooh oo-oo  
Yes you do-oo Come back to me baby, I'll give you everything you need  
I'm a new girl, in a different world  
I left planet crazy  
Be back with me darling, I'll give you every guarantee  
Give a fresh start to my lonely heart  
And you know too well, there ain't no other me Nothing can make me feel better  
Baby whenever  
Hurry up and sort me out  
How much I'd give just to feel ya  
Kiss me, won't you kiss me? Come back to me baby  
I'll give you everything you need (yes I will)  
I'm a new girl, in a different world (different world)  
I left planet crazy (I left planet crazy)  
Be back with me darling, I'll give you every guarantee (every guarantee)  
Give a fresh start to my lonely heart (lonely heart)  
And you know too well, there ain't no other me
