

# Let's Make a Night to Remember

Bryan Adams

I love the way you look tonight  
With your hair hangin' down on your shoulders  
And I love the way ya dance your slow sweet tango  
The way ya wanna do everything but talk  
And how ya stare at me with those undress me eyes  
Your breath on my body makes me warm inside  
Let's make out, let's do something amazing  
Let's do something that's all the way  
'Cuz I've never touched somebody like the way I touch your body  
Now I never want to let your body go  
Let's make a night to remember from January to December  
Let's make love to excite us, a memory to ignite us  
Let's make honey baby, soft and tender  
Let's make sugar darlin', sweet surrender  
Let's make a night to remember all life long  
I love the way you move tonight  
Beads of sweat drippin' down your skin  
Me lying here and you lyin' there  
Our shadows on the wall and our hands everywhere  
Let's make out, let's do something amazing  
Let's do something that's all the way  
'Cuz I've never touched somebody like the way I touch your body  
Now I never want to let your body go  
Let's make a night to remember from January to December  
Let's make love to excite us, a memory to ignite us  
Let's make honey baby, soft and tender  
Let's make sugar darlin', sweet surrender  
Let's make a night to remember all life long  
Oh when I think about you all the time  
Can't you see you drive me outta my mind?  
But I'm never holdin' back again  
Yeah I never want this night to end  
'Cuz I've never touched somebody like the way I touch your body  
Now I never want to let your body go  
Let's make a night to remember from January to December  
Let's make love to excite us, a memory to ignite us  
Yeah let's make honey baby, soft and tender  
Let's make sugar darlin', sweet surrender  
Let's make a night to remember all, all life long  
Let's make out, let's do something amazing  
Let's do something that's all the way every day  
Let's make honey, let's make sugar  
Let's make a night to remember  
Let's make love, slow and tender  
Let's make a night to remember  
Let's make love
