

Fresh Off The Boat

Nelly Furtado

Fresh off the boat

Fresh off the boat

Fresh off the boat

I rock these bare feet like no one else can

My hands are dirty I like 'em that way, shows who I am

I'm fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

The wine tastes good on my sweet lips like sunshine

The plastic on the furniture suits me just fine

I'm fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Querida menina a beira do mar

Querida menina a beira do mar

Apanha um barco branco e vai vai vai

Apanha um barco branco e sai sai sai

Aquela menina a beira do mar

Aquela menina a beira do mar

Aquela menina a beira do mar

Querida menina e vai vai vai

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Fresh off the boat

Querida menina a beira do mar

Querida menina a beira do mar

Querida menina a beira do mar

Querida menina a beira do mar

Aquela menina a beira do mar

Querida menina a beira do mar

Querida menina a beira do mar
Beira do mar mar yeah
