

# One Day at a Time

Enrique Iglesias

Akon, Enrique  
Red One, Konvict  
One day at a time  
One day at a time Saw you in the club  
You were dancing with somebody  
So close so tight  
You were killing me so slowly  
My friends were telling me what you're doing  
Can drive a man so crazy  
Trying to live my life  
It's been 6 months since you left me So I, oh I, oh I  
Still thinking about you, baby  
I try, I try  
But I guess, I gotta take it  
One day at a time  
I gotta let you go  
One day at a time  
It seems so impossible One day at a time  
I gotta let you go  
And I know, yes, I know  
I gotta take it one day at a time One day, one day, one day  
One day at a time  
One day, one day, one day  
One day at a time I am not the jealous heart  
But you stole my heart, baby  
Dancing with that guy  
Made it so hard for me to watch, baby  
I just been around running in circle  
I'm going through it in my mind, baby  
Had to suck up the tears from my night strolls  
To stop from crying out loud, baby Oh I, oh I  
Still thinking about you baby  
I try, I try  
Can't stop thinking about you, baby Oh I, oh I  
I keep thinking about you, baby  
I try, I try  
But I guess, I gotta take it One day at a time  
Said "I gotta let you go"  
One day at a time

But it seems so impossible One day at a time  
Said "I gotta let you go"  
And I know, and I know  
I gotta take it one day at a time First thing I gotta do is try to face it  
But your voice keeps playing in my ear  
It just makes me crazy trying to fake it  
The true event's so bad, it's not what I wanna hear  
But I guess, I gotta take it One day at a time  
I gotta let you go  
One day at a time  
It seems so impossible One day at a time  
I gotta let you go  
And I know, yes, I know  
I gotta take it one day at a time One day at a time  
Said "I gotta let you go"  
One day at a time  
But it seems so impossible One day at a time  
Said "I gotta let you go"  
And I know, yes, I know  
I gotta take it one day at a time One day at a time  
Said "I gotta let you go"  
One day at a time  
But it seems so impossible One day at a time  
Said "I gotta let you go"  
And I know, yes, I know  
I gotta take it one day at a time
