

# Heavenly Father

PJ Morton

Heavenly Father, creator of all things  
I humble myself as I bow to your throne  
I pray for love, joy, peace and happiness  
    I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
    I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
    They say the closest ones to you  
Be the ones that sneak up behind you and stick the knife through you  
    That's why now I keep my friends to a minimum  
Check for the ones with the venom on they tongue  
    'Cuz niggas is snakes, they hugs be fake  
    Steal from they best friend at his own wake  
    I did all I can do and I took all I can take  
    This is it, crossin' me was ya biggest mistake  
And was it enough that I split 20% of what I make?  
Was it enough that I cut niggas half of what I bake?  
    Ain't enough that I almost lost all my bread  
    Bailin' niggas out, keepin' a roof over our head  
Enough is enough, I wash my hands, I'm done wit it  
I ain't playin' wit you motherfuckers come with it  
    Keep the fam together God knows I tried  
    But shit ain't been the same since B.I. died  
    I pray for love, I pray for love  
    I pray for love, joy, peace and happiness  
    I pray for love, I pray for love  
    I pray for love, joy  
Act like I ain't the Lee, Chanel, Versace and Louis  
    Please, I'm the reason this rap game is unisex  
    I'm the reason bitches want bigger breasts  
    Show some respect where respect is due  
    Without me there'd be no you  
These next few lines is to you women abusers  
    Last nigga I was with, straight fuckin' loser  
    Niggas think 'cuz you give 'em ya heart  
    They can dissect it and rip it apart  
    Not I, one nigga's in my eye  
Payback's a motherfucker, put that on the sty  
    You lost a good bitch nigga you can't front

Lil' Kim is everything a man could ever want and that's real  
I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
When the money is gone  
When the gas runs out  
They just don't make my breed no more  
Nobody lives by the code of the street no more  
I don't deal wit the nonsense, I'm keepin' it real  
Wanna do business wit me? Get in touch with Him  
That's right any questions? No you can't ask me  
Put your name and your number on a letterhead and fax me  
You want Kim? Name the location  
75 grand and that's just for conversation  
I'ma remain loyal while y'all crumble like the foil  
It's tradition to rock diamonds in my crown, I'm royal  
Niggas ain't believe in me, they thought it was over  
Baby girl risin' up like the early mornin' sun  
You'll think you know but you'll have no idea  
What the fuck I been goin' through these last 7 years  
I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
I pray for love, I pray for love  
I pray for love, joy, peace and happiness  
Well I'm sayin' I just wanna be happy  
That's all I don't ask for much  
It makes me happy to see my people smile  
You know what I'm sayin'?  
I ain't a hater, I don't even like sayin' the word  
I'd sacrifice everything I got right now  
To have my man Biggie here wit me  
You see that's just how I am 'cuz I'm a rider  
What good is it to have everything  
If you can't share it with the one you love?  
If you can't be with the ones you love then love the ones you wit  
Don't take nobody for granted, you ain't promised tomorrow  
Karma's a motherfucker, I'm appreciative  
La Bella Mafia 2003, Suga Shaft, the Beehive  
We comin'
