

# World On Fire

## Firewind

Recreation, Immense design then destruction too beside  
Hear the past feel the truth holy boast  
Dislocation, Spirits Called  
Suffocation, Need Control  
We rode the same through different lives  
Holy Land  
End, Futures holding us  
And I (I set the world on fire)  
I will rise through the wind  
And I (I'll Set the world on fire)  
Worlds collide in me  
Set the World on Fire  
Set the World on Fire  
Deprivation, End This Void  
Send a nation into a void  
With just one voice, just one night  
We take the base  
End, Futures holding us  
And I (I set the world on fire)  
I will rise through the wind  
And I (I'll Set the world on fire)  
Worlds collide in me  
Set the World on Fire X4[Solo]  
And I (I set the world on fire)  
I will rise through the wind  
And I (I'll Set the world on fire)  
Worlds collide in me  
Set the World on Fire
