Last Night In Los Feliz

Niia

I got those green green eyes for blue night
hmm
all of the sounds that moose and rise
yeah couldn't know hmm
but I'm letting it.
yeah I'm letting it go
your murders not for
your murders not far
said as hard as ever try hard as ever try
still can't roll light to get on a get turn back time
yeah snd I'm si scred of change of fall with me
it's washed away
and all the way you touch me
under the sky
i don't wanna go
just ti let you no
you've got thise grave grave eyes for sun rise
all of the rain that fell off
we could humm oh
but I'm letting it yeah letting it go
stiffle a lie
