

# Dennis' Problem

## D.R.I.

My moms upset, my dads uptight  
Don't like my music, they say it isn't right  
Don't like my haircut, they call me a dyke  
They send me to a shrink twice a week  
He tells my mom I'm a fucking freak  
Dreaming scary dreams  
Wondering what they mean  
Living down under deep in never ending waking sleep  
When will this end?  
Or has it even begun  
I love the moon  
And I hate the sun
