

# Ooh Aah ... Just A Little Bit

Gina G

    Youre my love, youre my sweetest thing  
        Dont shy away, dont shy away  
    Every night makes me hate the days  
Cant get enough of your loveAm I wrong? Am I so unkind?  
    Show me the way, dont turn away  
    I cant hide all these thoughts in my mind  
Every moment I'm thinking of youOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
    You know what Im looking forOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
Ill give you love you cant ignoreFeeling good, lets go all the way  
    Its got to be, set me free  
    But tonight let my body say  
Take it slow, dont let it goHow can I prove my love to you?  
    Baby please, youre all I need  
    Like a child but its more than a phase  
Could act the angel but it wouldnt be trueOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
    You know what Im looking forOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
Ill give you love you cant ignoreWhat can you do for me?  
    Oh, what can you do?  
    Cause I feel so alive  
I feel your love inside, oohJust a little bit, little bit more  
Just a little bit, just a littleJust a little bit, little bit more  
    Just a little bitOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
    You know what Im looking forOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
Ill give you love you cant ignoreOoh aah, just a little bit  
    Ooh aah, little bit more  
    Ooh aah, just a little bit  
    You know what Im looking forOoh aah, just a little bit

Ooh aah, little bit more  
Ooh aah, just a little bit  
Ill give you love you cant ignoreJust a little bit, little bit more  
Just a little bit, just a littleJust a little bit, little bit more  
Just a little bit
