Hold Me

Charlie Sexton

When you're near me I feel romantic
When you're gone, you're far away
If you want me to remain romantic
Here's all the things you have to sayHold me, darlin', won't you hold me? Yeah
Never let me go, take me
Darlin', won't you take me?
Never to forsake me
'Cause I love you soThrill me, let yo kisses thrill me
Just like you alone can do
Hold me tenderly, enfold me
And never try to hold me
Away from youThrill me, let yo kisses thrill me
Just like you alone can do
Hold me tenderly, enfold me
And never try to hold me
Away from youThrill me, let yo' kisses thrill me
Just like you alone can do
Hold me tenderly, enfold me
And never try to hold me
Away from youNever try to hold me away from you
Darlin', darlin', darlin', hold me, I love you so
You know you got a hold on me and I'm holding you
You know you'll never hold me away from you
